

# Join the movement: tell us about yourself

Thank you for providing your contact information. The Brain Tumor Project is open to patients in the United States or Canada. Please help us understand more about your brain tumor by answering the questions below.

As you fill out the questions below, your answers will be automatically saved. If you’ve previously entered information here and want to pick up where you left off, please use the link we sent you via email to return to this page.

If you decide not to complete this form and would like the information entered below to be deleted from the database, now or in the future, you can email [info@braintumorproject.org](mailto:info@braintumorproject.org) to request that your responses be removed.

This project is studying patients with a primary brain tumor, such as glioblastoma, astrocytoma, or oligodendroglioma. If you have a different type of tumor that has metastasized or spread from a different region of your body to your brain, please visit [JoinCountMeIn.org](http://JoinCountMeIn.org) to see if there is another project for your tumor type.

Please fill out as much as you can. All questions are optional. You can return at any time with the link sent to you by email.
